# 2015 PRO BONO HONOR ROLL

Each year, in collaboration with the Tennessee Bar Association, legal aid organizations compile a list of the volunteers who donated time to low-income clients between November 1 and the following October 31. This year's list reveals an impressive array of talent. Because the only way we have to track pro bono service is through reports to legal aid, we recognize that a lot of volunteers are omitted (e.g., the criminal-defense bar). While we haven't yet figured out how to recognize everyone, we extend our heartfelt thanks to everyone on this year's Honor Roll. If we neglected to include someone, please let us know.
